THINGS TO KNOW ABOUT DAYCARE DOGS:

- **Sore Pads:** I understand that running amok may be rough on your pooch's feet, and they may get sore and abraded pads. This will go away as their pads get thicker and use to running on different surfaces.
- **Sore Muscles:** I understand that my pooch may forget to pace themselves while playing at Gypsy Paws. This may cause sore muscles. Over time this will fade as you see them get stronger and more in shape.
- **Exhaustion:** I understand that the new social interaction my pooch will encounter while being at Gypsy Paws will be both physically and mentally exhausting. Your pooch might need a lot of rest when they get home.
- **Wet Coat:** I understand that my Pooch's coat may be wet at pick time. They may have been lounging in the pools or playing with the hose. Not to worry, the water is changed frequently to keep them clean and healthy.
- **Scratches Bumps and Bruises:** I understand that my pooch will be playing with other pooches and that play sometimes causes scratches bumps and bruises.
